1. There is an old be - lov - ed church I've known for man - y years,
2. In its re - pose and qui - et - ness we seem so far re - moved
3. Now this old church is dear - er yet since I have been re - deemed,
4. We love to gath - er there each week and sing with one ac - cord;
5. When car - ried through its por - tals and I know my church no more,

mf

A re - fuge for the wear - y soul and those in trials and tears.
From earth's tu - mult and war and strife, for there the heart is soothed.
For there God called me through His Word; gave peace like glo - ry seemed.
There is a balm in mel - o - dy as - cend - ing to our Lord.
May God bless it and help my friends to walk t'ward heav - en's door.
