8. Spirit, Come and Breathe Your Blessing

(Praying for my church...)

1. Spirit, come and breathe Your blessing;
Every heart is bowed in need.
Every tongue, Your name is confessing.
Give Your people eyes to see,
Ears to hear, set prisoners free;
Let the lame now leap and live in grace!

Savior, may we bring You glory!
Help us love as You have loved.
Cleanse our conscience, calm our hurry.
Giving thanks through gain and loss,
Strong in faith to take our cross,
Give us grace to know our Father's heart.
(Instrumental) and Repeat Vs. 1

9. Transfiguration

(I discovered the joy of simply singing personal prayers to God this year, a delight.)

1. Oh, brightness of glory,
My Lord Jesus, the First and the Last!
Brightness of love light
Streams from the wounds in Your hands!
I am unworthy; You have redeemed me.
I'm poor and needy; I fall at Your feet.
Spirit, illumine me! Lift me to be with You
Secure in the heavenlies, free to do what You would do!
Deliver my spirit from selfish pride,
From fear and from doubt, Lord, So hidden inside!
Make me free to shine, a reflection, Lord, of You.
Let my heart entwine with the Way, the Lord, the Truth!
I want to serve You!...I am so weak.
Help me to love You, Your goodness to seek,
And shine!

10. Pure Joy (instr.) (God brings joy in simple things, in simple tasks, in every day.)

11. Christian, Do You See Them? (words by Andrew of Crete, modified by SKH)

(Friends, how we need this wisdom, that we not be sitting ducks for the Enemy!)

1. Christian, do you see them on the holy ground,
How the powers of darkness compass you around?
Christian, up and smite them, counting gain but loss;
Smite them by the merit of the holy cross!

2. Christian, do you feel them, how they work within?
Striving, tempting, luring, goading into sin?
Christian, never tremble! Never be downcast!
Gird yourself for battle! Watch and pray and fast!

3. Christian, do you hear them, how they speak so fair,---
"Why such endless watching? Why such ceaseless prayer?"?
Christian, answer boldly, "While I breathe, I pray!"
Peace shall follow battle! Night shall end in day!

4. Hear the voice of Jesus: "Oh, my servant true,
You are very weary; I was weary too!
But these trials can make You more and more My own,
And the end of sorrow will be near My throne!"

12. Gethsemane

(Realizing what He went through for me... Luke 22:39-46)

1. Embracing the Father's will,
You drank the cup of wrath,
The poisonous cup I had filled
By walking in ways of death.
You cried the tears I should have cried.
Your innocence wore my disgrace.
Your friends were all sleeping that night,
As bloody tears rolled down Your face.

CHORUS

Hardest thing ever done,
Sharpest grief ever known,
Greatest heart ever torn!
The kind of love you have for me
Was shown at Gethsemane.

2. My brother who kneels in the sand
Does battle upon His knees.
His love I cannot understand
Has purchased my full release.
The lawless one captured Your own
And made them Your enemies.
You came from Your glorious throne
To die here in agony.
(Repeat CHORUS, singing last line 2x)

13. You Love Them More

ABOUT JESUS' MINISTRY IN GALILEE

(Dedicated to counselors everywhere who minister to those on the mission field)

(sheet music is available on Scores Download page of my website)

1. Who am I that you call me to kingdom and crown,
My millstones and fishing nets dragging me down?
Who am I to deliver Your message
Where I've never gone before?
Teach me how to follow, as You follow through,
Learning how to meet needs by depending on You,
As You broaden my scope to encompass
The people on every shore.

CHORUS

You love them more! You love them more!
Plunge us deep in Your grace! Our faith and hope restore!
When we are spent, fill us again!
Wash and renew Your servants, Lord of the storm!

2. When the multitudes eat from Your life-giving hands,
In the thrill of the moment, do I understand
That Your Kingdom surpasses my comfort?
Lord, feed my hungry soul!
In the night of the storm, do I struggle and strive,
Finding all my self-effort can't keep me alive?
When I see You, I want to be with You,
Blessed, as You take control!

CHORUS

BRIDGE

Fishing all night: empty hopes, empty nets!
With all Your provision, how could I forget?--
A coin from a fish and a Lord from a tomb--
In my fish-belly vision, there's not enough room,
Never enough to see all that You are,
The God who fills oceans and names every star,
Lord over elements, Lord over hell,
Lord of today, and tomorrow as well.

3. When I've run from the danger, forgotten my task;
When a new day of waiting seems too much to ask,
Then Your loving hand bridges the gap
To recover my sinking soul.
You give peace to my heart, call me forth, show Your face;
You give nourishment, friendship, forgiveness and grace.
Do I love You my Lord? Give me courage and faith!
Do I love You? Do I love You? Savior!...

LAST CHORUS

You love them more! You love them more!
Fill me with love for Your sheep,
'Til I can hold no more!
Take this sea of tears;
Grow faith from fears!
Wash and renew Your servants,
Lord of the storm,
Lord of the storm!

14. Unspeakable Glory

(There is nothing to fear on this earth with Jesus to lift me to Heaven! - Gen. 28:12)

1. Unspeakable glory illumines my way,
For the Lamb of the cross lifts me up.
I am not who I once was: the old is gone away.
If I love Him, I'll take His blessed cup.

2. Unspeakable glory! My soul is heaven-bound!
Never fear what tomorrow may bring!
In the house of His praises, I rest on holy ground.
I awake to the sure but unseen.

CHORUS

Worth, worthy, worthy is the Lamb that was slain!
Heaven's price, sacrifice! Ever more, His love the same!

3. Unspeakable glory! His children will arise,
Each a part of His family of grace!
Radiant love, holy beauty Is shining in their eyes.
With millions, we'll join the song of praise!

LAST CHORUS

Worthy, worthy, worthy is the Lamb that was slain!
Hearts prepare, take us there to glorify Your holy name!
