6. Saviour! Since Thy blood is healing,  
 There is rest for heart and mind.  
 Let us now, Thy peace enjoying,  
 Grace, sufficient, in Thee find.

7. Teach us all Thy true obedience;  
 Teach us, Lord, to do Thy will.  
 Lead us in Thy holy presence;  
 Through this world do guide us still.

8. Though Thou lead us thru the darkness,  
 Thou art evermore our light.  
 When death comes in awful stillness,  
 We behold Thy face so bright.

9. Thus we love Thee, and adore Thee,  
 Thou art worthy of our love.  
 When in death and pain and sorrows,  
 Let us trust in Thee above.

10. Though the world our souls is calling  
 From the Lord, who loves us best,  
 May our love to Him be constant  
 Till we meet there with the blest.
