1.) Our joy - ful hymn of praise we bring to Thee our Sav - iour, King!
 2.) Oh, may we feel Thy grace, O Lord, when -e'er we think of Thee;
 3.) Oh, Fath - er, Son and Ho - ly Ghost, the ho - ly Three in One,
 4.) When we shall stand be - fore Thy Throne and look up - on Thy face,

With thank - ful hearts and voic - es bring, the migh - ty an - them sing!
 With glad - ness, Lord, we blend in psalm, the glo - ry, Thine shall be!
 Grant grace that we may serve Thee now be - fore life's set - ting sun.
 May we, life's jour - ney then com - plete, be safe - ly in Thy grace.

Oh, Lord, of all cre - a - tion, to Thy most ho - ly name,
 Where -ev - er Thou shalt lead us, we glad - ly fol - low on;
 Then may we, Fath - er, hear Thee "Come, en - ter in, My child!"
 Oh, then the walls of jas - per! Oh, streets of shin - ing gold!

Our lips shall ev - er praise Thee, Who for - ev - er art the same!
 And o - ver - com - ing to the end, through Thee, our vic - t'ry's won!
 Oh, bless - ed thought! Oh, words of love! Such ten - der love so mild!
 How blest the part of those who see the half that's ne'er been told!
