

The Shadow Of The Rock

Ray Palmer

1.) In the shad - ow of the Rock, Let me rest,
2.) I in peace will rest there, Till I see,
3.) Then my pil - grim staff I'll take, And once more,

feel the tem - pest's shock Thrill my breast, Thrill my breast, All in vain the storms shall sweep,
skies a - gain are fair O - ver me, O - ver me, That the burn - ing heats are past,
on - ward jour - ney make, As be - fore, As be - fore, And with joy - ous heart and strong,

While I hide, While I hide, And my tran - quil sta - tion keep By Thy side.
And the day, And the day, Bids the trav - el - er at last Go Glad with his way.
I will raise, I will raise, Un - to Thee, O Rock, a song, Glad with his way.

In the shad - ow of the Rock, Shel - tered from the tem - pest's shock, There a

peace - ful calm shall dwell, In my breast; In my breast; All in vain the storms may sweep,

While my hi - ding-place I keep, In the shad - ow of the Rock to rest.
