1. I'll walk the rug - ged, nar - row way, the path my Sav - ior trod;
2. Now I must cross a wil - der - ness to reach the prom - ised land,
3. The heat and bur - den of the day are sure to fol - low me.
4. Now if you know that you are lost and can - not find the way,

5 *mp* *mf*

There's noth - ing I would rath - er do than fol - low Him and God.
And climb the mount of sac - ri - fice to view the gold - en strand.
Why should I give up in de - spair? A vic - tory I can see!
Just call for Him, He'll an - swer you and lead you on His way!

10 CHORUS *f*

There is a hand that leads me on out - stretched from heav - en a - bove,

15 *f* *mf* *mp*

With a wing that shel - ters me, by a Sav - ior full of love!
