

# Home At Last!

A. M., Jr.

1.) Home at last! Safe - ly Home! Here shall strug - gles end!  
 2.) Home at last! All is well! There all cry - ings cease.  
 3.) Home at last! Tri - als o'er! Strive no more with sin!

When we go through Hea - ven's gate, We'll be free at last!  
 God, Him - self shall wipe all tears, Doubts and fears, no more!  
 Pride and pain, all sin and strife, Safe with - in the fold!

May we here while in this time On the pil - grim's way still wend  
 So, with cour - age, on - ward go! Keep your feet still shod with peace!  
 With the saints sing that new song! Heav'n - ly joy and peace there - in!

Our short course to Heav'n a - bove, Home, yes, Home, at last!  
 Bright the crown, the robes, we'll wear, Home for - ev - er - more!  
 Greet the Lamb for sin - ners slain! Home of Love un - told!
