But I'm look - ing for the sun - rise And the gold - en morn - ing glow,
Where the shad - ows ev - er deep - en When the day at last is done.
For the day grows e - ven bright - er As I jour - ney on with Him.

Where the light of Heav - en's Glo - ry Will break forth up - on my sight,
I am walk - ing up the hill - side Where the sun - shine lights the way
So my eyes are on the hill - tops Wait - ing for the sun to rise

In the Land that knows no sun - set Nor the dark - ness of the night.
To the glo - ry of the sun - rise Of God's nev - er - end - ing day!
Wait - ing for His in - vi - ta - tion To the home be - yond the skies.
