Ira D. Sankey

1.) Strong in Thy strength, O Je - sus, Forth to Thy work I go,  
2.) Nerved with Thy might, O Je - sus, I ev - 'ry - thing can do;  
3.) Filled with Thy love, O Je - sus, That ten - der love of Thine -  
4.) Filled with Thy - self, O Je - sus, And all Thou hast for mine,

Filled with Thy love so pre - cious, My life Thy praise must show.  
Thou, who from sin doth cleanse us, Canst keep us faith - ful too,  
That love which did re - deem us, That won - drous love di - vine.  
Made one with Thee, so pre - cious, My all, O Je - sus, Thine.

I dare not dread the fu - ture, I can - not fear the past;  
Sure - ly I shall not fal - ter, I know I shall not fall  
Thy love my heart o'er - flow - eth, In love to all man - kind;  
Filled with Thy - self, O Je - sus, Hid - den my - self in Thee,

Strong in Thy strength, O Je - sus, I must o'er - come at last.  
Nerved in Thy strength, O Je - sus, I can, I must do all.  
Filled with Thy love, O Je - sus, I love for all can find.  
It is not I, but Je - sus, Who lives and reigns in me.
