Julia H. Johnston

M. J. Babbitt

1. The song of glad re - demp - tion, The glo - ry of His grace,
2. He came our souls to res - cue, From sin's o'er - whelm - ing flood,
3. Blest be the God and Fath - er Of our Lord Je - sus Christ,

5 We'll sing thro' end - less a - ges In yon - der dwell - ing place.
6 In Him we have for - give - ness, Re - demp - tion thro' the blood.
7 Thro' grace, His well - be - lov - ed, He free - ly sac - ri - ficed.

10 But, while on earth we tar - ry, O souls, re - deemed by Christ,
11 Ac - cord - ing to the rich - es O His a - bound - ing grace,
12 Let all who heat, re - ceive it, The won - 'drous gift of Love.

15 Re - peat His praise who bought us With pre - cious blood, un - priced.
16 He saves the souls that trust Him And they shall see His face.
17 Will you to - day be - lieve it, The mes - sage from a - bove?

20 With heart and voice now sing it, The glad re - demp - tion song,
